

$R_w 41 \div 56 \text{ dB}$

35
mm

Aesthetic profile

GSW Office Plus

System features

A double-glazed system dedicated for rooms meant to host confidential talks, such as directors' offices and conference rooms

- the highest acoustic insulation parameters – R_w even up to 56 dB – for office rooms requiring the highest level of privacy,
- mounting profile 35 mm high, consistent with all GSW Office products,
- quick and convenient assembly thanks to a system of spacers and special elements protecting glass during installation,

Specification

	GSW Office Plus Vision	GSW Office Plus Grid
Category of use	IV	
Category of space	A, B, C, D, E	
Type of glass	ESG 10, 12; VSG 55.X, 66.X, 88.2	ESG 8, 10, 12; VSG 44.X, 55.X, 66.X, 88.2
Max. height (mm)	3400 mm	4000 mm
Acoustic insulation	R_w 41 ÷ 52 dB / R_{A1} 39 ÷ 50 dB	R_w 47 ÷ 56 dB / R_{A1} 44 ÷ 54 dB
Fire resistance	-	-
Material / finish	Anodized aluminum / RAL aluminum	
Approval document	ETA-17/1050
